2015 Dighton Arts Festival Exhibitor Registration Form Instructions

The Dighton Lions Club welcomes registrations from artists, crafters, and artisans for the 2015 Dighton Arts Festival. Exhibitors will have an approximately 8' wide by10' deep space in an enclosed greenhouse. Exhibitors need to provide their own display (i.e., easels, print racks, etc.). Each exhibit area will have access to electricity. A limited number of exhibitor spaces are available. Please register early to assure your space!

Please contact Bob Mullen (508) 669-6469 or pmmullen@verizon.net (include **Dighton Arts Festival** in the subject line) with questions or to inquire about space availability. Visit the Dighton Arts Festival web site - www.DightonArt.org - for updates.

Registration Fee. In order to encourage exhibitors to register early, we offer a discounted exhibitor fee per space ($60) for registration forms postmarked on or before September 30, 2015***. Registration forms postmarked on or after October 1, 2015 must include an $85 registration fee per space.***

Tables. A limited number of 8-foot tables are available for rent at $10 each. You may also bring your own table(s).

Advertising Space for Exhibitors in the Festival Program. The Dighton Arts Festival program includes the music and activities schedule, list of exhibitors, and advertisements from local businesses that support the festival. We have established space in the program this year for exhibitors to promote their work – either standard size business cards ($25) or ¼ page (4.25 inches wide by 5.5 inches high) ads ($60). The festival program and exhibitors advertisement pages will also be available as downloadable documents on the Dighton Arts Festival web site.

Exhibit Description. We use the description that you provide on the registration form in the list of exhibitors in the festival program as well as on the festival web site. Please limit your description to 250 characters (including spaces). If you exhibited at the 2014 Dighton Arts Festival, you can review your description on the festival web site – www.dightonart.org.

The Dighton Arts Festival Committee will review each exhibit description for consistency with the purpose of the festival – to provide a place for local and regional artists to display and sell their work in a family-oriented environment that encourages artists of all ages and promotes interest in the arts in our community.

Additional information for exhibitors can be found in the "Information for Exhibitors" document that will be sent to all registered exhibitors and posted on the festival web site.
